Tour details

***This tour involves an early departure from and late return to Sapporo. Therefore:**

- ① Please plan your route to the meeting point ahead of time checking public transport information (first trains and buses, disruptions etc.)**
- ② Be aware that the late arrival back to Sapporo may cause you to miss your last train and having to pay for a taxi to return to your destination (or even a hotel.) While we estimate to arrive back by 23:00, traffic could affect this schedule.**

***This tour is planned according to the best time to see the cherry blossoms based on recent years. However, due to potential seasonal irregularities, this period could be slightly before or after you visit the tour, meaning there is a chance that you won't see the trees in full bloom. If the conditions are especially unfavorable, we may decide to skip a sightseeing place or shorten the visiting time. An alternative sightseeing spot may be included instead.**

Other

***Please wear comfortable clothing and walking shoes.**

***The order of the itinerary is subject to change.**

***This tour is operated with a mixture of Japanese and foreign guests. However a staff member will give you the basic information, such as meeting place and time at each stop in English or Chinese, although they won't give you detailed information on the places visited.**

***We will not be responsible for any delays, shortenings or omissions made to the itinerary due to circumstances beyond our control (traffic, weather etc.)**

***A decision on whether to cancel the tour will be decided by 3pm Japan Standard Time one day before the tour date. We will inform you by e-mail.**

***The tour end point may be different from the meeting point. Ask the tour conductor on the day.**

***The amended Act on the Protection of Personal Information came into effect on 30 May 2017. Customer information (name, age, gender etc.) may be forwarded to the hotels or necessary entities for the purpose of making tour arrangements.
